Based in the Bay Area (Oakland, East Bay), Mariposas Del Alma are fronted by the Meza-Blanco Sisters. Jasmin, Nathaly, and Marina captivate the audience with their soulful vocals and powerful harmonies. Having grown up in a home with a musician father, and a lineage (Maternal Grandfather) that traces back to the days of the Trios all throughout Latin America – it was only natural that the sisters became the amazing vocalists they are today.

Mariposas del Alma is backed up by the Discos Resaca Collective with 20+ years in the West Coast Cumbia/Salsa scene. With musicians from bands such as La Collectiva, Cumbia Tokeson, Proyecto Lando, Lado Oriente. Our first vinyl release "I Love You For All Seasons" was distributed internationally and sold out in less than 4 weeks. The much anticipated full-length Album "Y Te Cuento" was just released in Feb 2020.
